

**APPLY TO JOIN THE ZOUK STATION 9.0 TEAM
JAN 21-24, SUMMER 2022**

Hi everyone,

It's time to apply for Zouk Station 9.0 – Summer 2022 and we're looking for BZ/yoga instructors, DJs and photographers.

I've started this process to ensure that everyone who wants to be part of the line-up can apply and be considered.

Obviously there are all kinds of considerations at play including your location, the budget, rotating talent etc. So don't be bummed if you miss out this time. Just apply for the next one and I will do my best to accommodate you!

I've included some questions for you to answer on the next page.

Please email your responses to sexyalexylive.com.au and send me a message as well on FB just in case it ends up in junk mail!

Applications close October 31

If you have any questions about this process or the event, please get in touch.

Lots of love,

Alex

What to include in your email

- Subject: Zouk Station 9.0
- Name of individual or couple applying
- What are you applying to do? (Instructor/DJ/Photographer – all of the above?)
- Contact details: Email, Phone or Facebook
- The city/town that you reside in or that you will be travelling from to get to ZS 9.0
- Have you attended or been part of the line-up for ZS before?
- Will you be available and in attendance for the whole weekend?

Zouk/yoga instructors

What do you intend to teach at ZS 9.0? (Please note: for this one, all workshops will be one hour long and you may be asked to teach up to two workshops on different days)

You might like to also include details of your experience with Brazilian Zouk or yoga eg. How long have you been dancing/teaching? How often do you teach? Do you teach with a school? Where did you learn to teach? Have you ever taught at a festival before?

DJs

Are you a “playlist DJ” or do you pick and mix on the fly? How often do you DJ BZ? Do you spin anything other than BZ? Do you have a regular gig? If I’m unfamiliar with your work, you might like to include a link to a set you’ve uploaded on the internet.

Photographers

If you’re applying to help take pictures/videos for the event and I’m unfamiliar with your work, please share some examples of previous work for dance events.

Please include anything else you feel may be relevant
